

## Yankee Hill Country Club Ladies Golf Association

“The unofficial motto of the YH Ladies Golf association is “Have fun by playing more golf!” YH Ladies golf association members often say that taking time for golf actually helps them relax and unwind. While playing golf they can forget about their responsibilities for a few hours. This combined with the enjoyment of a post-game "meeting" in the 19<sup>th</sup> Hole make you feel like you have just been on a mini vacation in the middle of a busy week.”

The YHCC Ladies Association exists to :

- enjoy the game of GOLF
- to understand the rules and etiquette
- get to know other women golfers
- to increase self-confidence on the golf course
- have fun and socialize

It doesn't matter whether you are an experienced golfer or new to the game, all players are welcome in our association.

Our golf events focus more on having fun than on having the lowest golf score.
